EXPERIENCE

CHMM COLLEGE
CHAVARCODE-KERALA
2021-2024

I gained valuable hands-on experience in web development during my college program. I proficiently utilized HTML, CSS, and JavaScript to create and enhance websites, collaborating with a team to ensure responsive designs and optimal performance. My responsibilities included troubleshooting and debugging to maintain functionality. This experience honed my web development skills and allowed me to contribute effectively to projects.

HI CODERS
Online Platform
2023-present

I honed my web development skills through hands-on learning on the "Hi Coders" online platform. This experience provided me with a strong foundation in web development, including HTML, CSS, and JavaScript. I engaged with interactive tutorials and practical projects that allowed me to apply my knowledge effectively. My time on the platform was instrumental in my journey to becoming a proficient web developer.
